

# INFORMATION MEDIA & TELECOMMUNICATIONS IN QLD

Information media and telecommunications is a diverse field with employees working in a wide range of settings. Even with the best training, safety policies and experience, accidents do happen. A supportive culture and effective rehabilitation plans can help workers return to work quickly and safely.

*"WorkCover genuinely cares for people who are injured and helps them get back to work again."*

Clinton Benson, Recover at Work host  
employment program participant.

By championing the health benefits of staying at or returning to work, we are creating positive outcomes for Queensland workers, employers and the wider community.
