Example of diver's safety log for diving work using air

Name:	
Date:	Dive number: (For multiple dives in one day.)
Vessel/platform:	
Location:	
Environmental conditions.	Current: Water temperature:
Visibility:	Maximum depth of dive:
Time in:	Time out: Bottom time:
Decompression tables:	Depth and duration of safety stop:
Incidents/discomfort/injuries:	
Diver's signature:	Supervisor's signature:
