

# About WorkCover Queensland

---

**WorkCover Queensland has been providing workers' compensation insurance in Queensland for more than 25 years to more than 170,000 businesses.**

Supporting Queensland workers and businesses is at the heart of everything we do. From customer service and managing claims, to accessing rehabilitation, and making sure employers have insurance in place to protect their workers.

The most important thing for us is keeping Queenslanders working and we understand everyone's needs are different. We work with each individual to make sure they get the best outcome for their situation.

We are committed to balancing employer and worker needs. We aim to keep premiums low for employers, while also supporting injured workers with their recovery and return to work.
