

## Variation to an Enforceable Undertaking between the regulator and Wilmar Sugar Pty Ltd, accepted on 17 December 2019

The following variation to the Enforceable Undertaking between the WHS regulator and Wilmar Sugar Pty Ltd is proposed:

**Under:**

- **Term 3.8.6** - Wilmar acknowledges that the current OHSMS in place, as detailed in term 3.7.1 is acceptable to the regulator and commits to ensuring that an initial third party audit will be undertaken at Plane Creek Mill within six months of this undertaking being accepted, and a second third party audit will be carried out at Plane Creek Mill approximately twelve months after completion of the initial third party audit.

**Replace underlined agreed timeframes and wording with:**

- **Term 3.8.6** - Wilmar acknowledges that the current OHSMS in place, as detailed in term 3.7.1 is acceptable to the regulator and commits to ensuring that an initial third party audit will be undertaken at Plane Creek Mill by 30 November 2020, and a second third party audit will be carried out at Plane Creek Mill approximately twelve months after completion of the initial third party audit.
