How to make your chatter box

1. Cut along black dotted line to remove chatterbox from page.
2. Place face down and fold outer corners into the centre of the chatterbox so you are left with a square shape.
3. Turn over so that the answers are facing up.
4. Fold each tip into the centre so that you are left with a square fold with the questions facing up.
5. Turn over so that the pictures are facing up.
6. Fold in half vertically to create a crease.
7. Open back up to the square shape.
8. Fold in half horizontally to create a crease.
9. Use your thumbs and forefingers to form a peak underneath the pictures.
10. Now you are ready to play!
11. Use your fingers to shift the game in and out to expose the inside panels.
12. Now pick a picture or word from one of the corners. As you spell out the name of the picture / word, move the picture in and out.
13. Pick a question from the inside of the game. Open to find out if you answered correctly.
